This matter is before the Court pursuant to the motion to certify class (Filing No. 108). In defendants' brief opposing class certification, defendants state they will provide financial records to the Court at the class certification hearing, which will detail defendants' purported negative net worth (See Filing No. 115, at 5, 22). In preparation for the class certification hearing on June 25, 2010, the Court would like to review these records.

IT IS ORDERED that defendants will submit to the Court for *in camera* review all financial records they will use at the class certification hearing by **Friday, June 18, 2010.**

DATED this 1st day of June, 2010.
